This is to confirm that we are providing **WordPress Website Maintenance - 1 Year** for the period from **15/02/2026 to 15/02/2027**.

During this maintenance term, the following services will be covered:

- WordPress core, theme, and plugin updates
- Website security monitoring and malware scanning
- Monthly full website backups along with database backups
- Performance optimization and database optimization
- Uptime monitoring and downtime support
- Minor content updates and technical support
- Basic bug fixing and compatibility checks

Our objective is to ensure your website remains secure, stable, updated, and performing efficiently throughout the entire maintenance period.

Note: Major design changes, new feature development, third-party integrations, paid plugin or theme licenses, hosting charges, and domain renewals are not included in this maintenance package.
